

# WANTED: CAREER EXPLORERS

*for Career Exploration Week*

*October 7 - 11, 2013*

Manitoba will be hosting its first ever **Career Exploration Week** for people with disabilities, October 7-11, 2013, to celebrate **Disability Employment Awareness Month**.

Career Exploration Week will give people with disabilities, 16 and older, a chance to meet face to face with employers and learn more about different types of jobs that interest them.

Career Exploration Week will also give employers a chance to meet people with disabilities and learn how workers with disabilities can help their businesses succeed.

Sessions can range from one to two hour face-to-face sessions to a full morning or afternoon and, depending on the employer, may include information sharing interviews, workplace tours, hands-on activities or other experiences.

For more information on Career Exploration Week or to register a participant with a disability for a workplace career exploration session, contact **Jenny Cook** with the **Alliance of Manitoba Sector Councils** at (204) 272-2964, email [cew@deam-mb.ca](mailto:cew@deam-mb.ca) or visit our website at [www.deam-mb.ca](http://www.deam-mb.ca).
